The Priory Church of St Mary, Bridlington
Safeguarding and Safer Recruitment Policy
Parish statement on safeguarding

- The Parochial Church Council takes seriously its obligations and responsibilities to protect and safeguard the welfare of any child, young person or vulnerable adult within the church community.
- Christian communities should be places where all people feel welcomed, respected and safe from abuse. The safeguarding and protection of children, young people and vulnerable adults is everyone's responsibility and everyone's role. The whole church community needs to be aware of the dangers and to be prepared to report concerns and take action if necessary. Any concern, however minor, should be notified to the Safeguarding Officer or Rector as soon as it arises.
- The PCC accepts that it is collectively responsible for the safeguarding of children, young people and vulnerable adults when taking part in activities organized by the church. These responsibilities are devolved to the parish's employees and volunteers, who are required to work in accordance with the provisions of this Safeguarding and Safer Recruitment Policy.
- We are committed to:
 - The safeguarding and protection of all children, young people and adults.
 - The establishment of a safe and caring community providing
 - an environment and culture of informed vigilance about the dangers of abuse
 - an environment where victims of abuse are able to report or disclose abuse and find support.
 - The promotion of best practice in seeking to prevent abuse, including the safer recruitment of those with any responsibility relating to children, young people and vulnerable adults.
- The PCC will appoint a Parish Safeguarding Officer annually.
- Safeguarding will be a Standing Item at all PCC meetings.
- The PCC will review the Parish Safeguarding and Safer Recruitment Policy annually. After each review a signed and dated copy of the policy will be sent to the Safeguarding Officer for the Diocese of York (hereafter the Diocese).
- Copies of the Policy will be available in the Church, the Church Rooms and from the Parish Safeguarding Officer.
- The PCC will maintain appropriate Third Party Liability insurance for church work.
- The PCC understands that safeguarding includes protection from the physical environment, and therefore accepts that Health and Safety policies and discussions should include consideration of safeguarding issues in collaboration with the Parish Safeguarding Officer.
- In order to facilitate the confidential and timely reporting of any Safeguarding Serious Incidents to the Charity Commission, the responsibility for any decisions relating to the reporting of Safeguarding Serious Incidents is delegated to the Parish Safeguarding Officer and the Incumbent.
 - For details see Appendix 2.

Safeguarding

- Safeguarding is to take the appropriate measures to protect from harm or damage. These should include:
 - support and pastoral care to the victim
 - risk management with pastoral response in respect of the perpetrator.
- Safeguarding relates to physical, sexual and emotional issues. It can also relate to a person's vulnerability, capacity and capabilities.
- Safeguarding includes the recognition that the apparent resilience of a person may conceal suffering.
- Safeguarding issues can apply to individuals or groups.

Children and young people

- Children and young people are those who have not yet reached their 18th birthday. The term 'child' can be used to describe all those within this category.
 - A child may be defined as one between birth and the age of 13.
 - A young person may be defined as one between the ages of 13 and 18.
- Children and young people with disabilities (physical, sensory and/or learning difficulties) are especially vulnerable and need special care and protection.

Categories of abuse: children and young people

The PCC recognizes the following categories of abuse (*italics indicate definitions used by every Local Authority in England and Wales*). A child or young person may be abused by adults or by other children and young people, and may suffer more than one category of abuse.

- Neglect
 - *Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to*
 - *provide adequate food, clothing and shelter (including exclusion from home or abandonment)*
 - *protect a child from physical and emotional harm or danger*
 - *ensure adequate supervision (including the use of inadequate care-givers)*
 - *ensure access to appropriate medical care or treatment.*
 - *Neglect may also include neglect of, or unresponsiveness to, a child's basic emotional needs.*
- Physical abuse
 - *Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.*
- Sexual abuse
 - *Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non-penetrative acts. They may include non-contact activities, such as involving children in looking at, or in the production of, sexual online images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.*
- Emotional abuse
 - *Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, causing children frequently to feel frightened or in danger, or the exploitation or corruption of children.*
 - *Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.*

- Emotional abuse may also include harassment or discrimination based on age, religion, ethnic or cultural background, gender, sexuality, impairment or disability.
- Organised abuse
 - *Organised abuse is defined as abuse involving one or more abusers and a number of children. The abusers concerned may be acting in concert to abuse children, sometimes acting in isolation, or may be using an institutional framework or position of authority to recruit children for abuse.*
- Spiritual abuse
 - Harm can be caused by the inappropriate use of religious belief or practice, by the misuse of authority and by the imposition of inappropriate expectations upon children and young people.

Vulnerable adults

The definitions below are taken from the 1997 Consultation *Who Decides?* (issued by the Lord Chancellor's Department) and the Church of England's Parish Safeguarding Handbook 2018.

- A vulnerable adult is a person aged 18 and over whose ability to protect him/herself from violence, abuse, neglect or exploitation is significantly impaired (permanently or temporarily) through physical or mental disability, illness, old age, emotional fragility, distress or life events.
- Factors increasing vulnerability include:
 - chronic or acute mental illness
 - sensory or physical disability or impairment
 - learning disability
 - physical illness
 - the need for community care services by reason of disability, age or illness
 - dementia
 - addiction to alcohol or drugs
 - failing faculties of age
 - homelessness
 - being a refugee or asylum seeker
 - victims/survivors of domestic abuse violence or significant emotional coercion
 - victims/survivors of historic abuse in childhood
 - permanent or temporary reduction in physical, mental or emotional capacity brought about by life events (e.g. bereavement, abuse, trauma, redundancy, illness of self or another)
- The PCC recognizes that the factors described above do not of themselves mean that a person is vulnerable, but understands that all adults are vulnerable at times and will need the safe care of a loving community during those times.
- The PCC recognizes that some adults who do not consider themselves to be vulnerable may yet be vulnerable to abuse by individuals in positions of leadership and responsibility.

Categories of abuse: vulnerable adults

An adult may suffer more than one category of abuse.

- Neglect
 - Including withholding food, drink, heating and clothing, failing to provide access to health, social and educational services, ignoring physical care needs, exposing a person to unacceptable risk and failing to ensure adequate supervision.
- Physical abuse
 - Including hitting, shaking, biting, grabbing, withholding food or drink, force-feeding, wrongly administering medicine, unnecessary restraining and failing to provide physical care and aids to living.
- Sexual abuse
 - Including sexual assault, rape, inappropriate touching/molesting and pressurising someone into sexual acts they don't understand or feel powerless to refuse.
- Emotional or psychological abuse
 - Including verbal abuse, shouting, swearing, threatening abandonment or harm, isolating, taking away privacy or other rights, bullying/intimidation, blaming, controlling and humiliation.
- Discriminatory abuse

The Priory Church of St Mary, Bridlington Safeguarding and Safer Recruitment Policy

Definitions

- Including slurs, harassment and maltreatment due to a person's age, religion, ethnic or cultural background, gender, sexuality, impairment or disability.

Introduction

- The PCC will endeavour to recruit employees and volunteers without discrimination in matters of age, disability, gender, race, religion and belief, sexual orientation or gender reassignment.
- The holding of a criminal record will not necessarily bar an applicant from appointment unless children or vulnerable adults would be put at risk.
- The PCC undertakes to adopt and follow policy statements on data protection, storage and confidentiality and on the recruitment of ex-offenders.
- The minimum age for recruitment as a volunteer or paid worker is 16. Where helpers are below this age roles will be limited to agreed supervised tasks discussed with the parent or guardian, Group leader, Parish Safeguarding Officer and Rector or Churchwarden. Information will still be taken, and the helper will be required to undertake the full recruitment process where applicable on reaching 16.

Advertising

- Most workers at the Priory are volunteers and unlikely to be recruited by formal advertisement. In the case of recruitment to paid posts the following will be provided to applicants:
 - covering letter providing the recruitment timetable
 - job description and person specification
 - application form
 - information about the Parish Safeguarding and Safer Recruitment Policy
 - information about the parish and its organization.

Job description / volunteer role profile and person specification

- In the case of paid posts these will be drawn up at the time of recruitment and will be used to undertake shortlisting in accordance with current Diocesan guidelines.
- In the case of voluntary roles these will be found in the Section *Priory groups, officers, paid posts and voluntary roles*.

Application Forms

- The Priory's Application Form must be used in all cases. CVs will not be accepted on their own.
- Paid posts
 - Application Forms will be drawn up at the time of recruitment. These will ask for
 - Present (or most recent) employment and reason for leaving.
 - Full history of education, employment and any voluntary work since leaving school, with an explanation of any gaps.
- Voluntary roles
 - The completion of an application form is recognized as good practice for prospective workers with children, young people and vulnerable adults.

References

- A minimum of two written references will be obtained. 'Self-supplied', 'to whom it may concern' and verbal references will not be accepted.
- Referees must be over 18.
- Referees may not be family members of the applicant and at least one referee must not be a member of the Priory congregation.
- Paid posts
 - The PCC will take up references before interview for all positions. At least one of the references must be from the applicant's current/most recent employer and/or voluntary position.
 - References must cover a minimum period of two years. To obtain this it may be necessary to request more than two references.
- Voluntary roles
 - The PCC will take up references where recommended in the Section *Priory groups, officers, paid posts and voluntary roles*. These will be taken up before any interview.

- At least one of the references must comment on the applicant's ability to work with the group with whom s/he will be volunteering.
- If the applicant is currently working/volunteering with children, young people or vulnerable adults, or has done within the past two years, then a reference must be sought from that organisation
- If the applicant has come to the Church body from another Church body within the past two years, a reference must be sought from that previous Church body.

Interviews

- In all cases Interview questions and conversations should be in accordance with current Church of England guidelines on safer recruitment.
 - Paid posts

 - an informal interview with the Leader(s) of the Group in question.
- as recommended in the Section *Priory groups, officers, paid posts and voluntary roles*.

- Each new volunteer will be required to complete a Volunteer Agreement. If an application form is required for the role the Volunteer Agreement will be completed after the application is accepted. A Confidential Declaration Form (in full or shortened version) and/or DBS process will be required as laid down for the role(s) undertaken in the Section *Priory groups, officers, paid posts and voluntary roles*. If an applicant does not wish to complete any of these forms the application and appointment may not proceed.
- All paid employees must have a Contract of Employment.

Probationary period

- Paid posts
 - All paid employees will be subject to a probationary period.
- Voluntary roles
 - Leaders of groups and activities will monitor the effectiveness of their volunteer helpers.

Employees and volunteers needing protection

- Where a volunteer or paid worker is under 18 years old or is a vulnerable adult the immediate supervisor of that person must complete a DBS check. A risk assessment must also be undertaken to ensure that the person is working safely.

Existing volunteers

- The PCC recognizes that in the past volunteers have been recruited without formal process. In order to rectify this situation all existing volunteers will be required to complete a Volunteer Agreement and Information Form and also all the forms, training and processes recommended for the role(s) undertaken in the Section *Priory groups, officers, paid posts and voluntary roles*.

- Anyone driving vulnerable adults must have a DBS check at Enhanced level for the appropriate workforce if the role is undertaken weekly or 4 or more days in a 30 day period.
- If a driver has to transport one child, young person or vulnerable adult without another person in the car, the passenger must sit in the back of the vehicle if physically possible.

Disclosure and Barring (DBS) checks and Confidential Declaration forms

Confidential Declaration Forms

- The completion of Church of England Confidential Declaration Forms will be obligatory for all employees and volunteers involved in parish roles with children, young people or vulnerable adults.
 - It is a Diocesan requirement that where a question on the Confidential Declaration Form has been answered in the affirmative the form **must** be sent to the Diocese for a confidential risk assessment, and the applicant will not be appointed until the Diocese has given its approval.

 - DBS checks undertaken for other organizations can be used in respect of parish roles only if **both** the following criteria apply:
 1. The existing DBS disclosure certificate is of the same type (level and workforce) as is required for the role undertaken in the Section *Priory groups, officers, paid posts and voluntary roles*.
 2. The employee or volunteer is registered for the DBS Update Service (www.gov.uk/dbs-update-service), which enables the parish to check the current situation. Registration for the Update Service is free of charge for volunteers.

 - It is a Diocesan requirement that **all** blemished DBS disclosures are sent to the Diocese, and the applicant will not be appointed until the Diocese has given its approval.

Photography and audio/video recording of children, young people and vulnerable adults

- Everyone is requested to be vigilant about the making of images or recordings during church services and events organized by the parish.
- All children, young people or vulnerable adults must be appropriately dressed when photographed or video recorded.
- Do not photograph or video record any child, young person or vulnerable adult who has asked not to be photographed or who is under court order (where it is known).
- For use of images see under Internet and social media, but be aware that these guidelines apply also to publishing in hard copy.
- Events and services
 - All people taking photographs or video recording footage for official use at an event should register with the event organiser. All concerns regarding inappropriate behaviour or intrusive photography or video recording should be reported to the event organiser.
 - At large events or services the setting up of photo or video recording opportunities at the end is recommended. This allows the event to go ahead with limited interruption, and allows any child, young person or vulnerable adult to take part in the event without being photographed or video recorded.

- All those involved with the management and administration of social media in connection with parish activities must follow the Diocese's *Social Media Guidelines* (included as an appendix to this policy).
- Any online contact with children and young people must comply with the recommendations and codes of conduct laid down in the Diocese's *Guidelines for video conferencing with children* and *Guidelines for using video conferencing for youth groups* (both included as appendixes to this policy).
- Use of images:
 - The use of images is governed by the provisions of the Data Protection Act 2018 and the UK General Data Protection Regulation.
 - The Diocese of York requires an assessment to be made as to whether publishing an image or recording in any format might pose a risk to a child, young person or vulnerable adult.
 - The person recorded in a photographic image or recording must have given permission for any use of it and for any personal identification.
 - In the case of a child or young person the permission (consent) must be given by the parent or guardian.
 - In the case of a vulnerable adult care should be taken to ensure that the person is capable of giving informed consent. Otherwise the consent of a legally appointed carer should be sought.
 - A consent form is available for use.
 - When using images or recordings children, young people and vulnerable adults should not be identified by name, address (postal or e-mail), telephone number or any other information which may lead to identification of an individual. This includes image filenames, Alt tags or hashtags.

Procedures for responding to concerns about or allegations of abuse or inappropriate behaviour

This section should be applied in consultation with Sections 2 and 3 of the Church of England's *Practice Guidance: Responding to Safeguarding Concerns or Allegations that relate to Children, Young People and Vulnerable Adults* (2018).

- Anyone can report a concern or allegation of abuse at any time. For example:
 - A child or adult speaks about current or recent abuse perpetrated upon them.
 - An adult speaks about abuse that occurred in childhood.
 - A child or adult speaks about abuse perpetrated upon them in the past.
 - A child speaks about abusing another child.
 - An adult speaks about abusing a child or another adult.
- Church members, including activity leaders and volunteers, may have concerns about possible or actual inappropriate conduct or abuse which may have occurred within a church setting or within another context, but which is drawn to their attention in a church setting.
- In all events the following procedures should be observed. The Forms *Logging a Safeguarding concern about a vulnerable person* and/or *Logging a Safeguarding concern, incident or allegation about a volunteer or paid worker within the church community* must be used.
- No allegation or concern should be discussed with anyone at all, apart from the people mentioned in the following procedures.
- The role of a church member is not to investigate beyond establishing the basic facts so that a decision can be made about what further action, if any, needs to be taken.
- Allow the child or adult to speak, but be very careful not to say anything that may suggest or prompt a particular answer. Anything said by the child or adult should be recorded, noting the actual words used.
- Reassure the child or adult that you are listening carefully, but refrain from promising to 'keep a secret'. Make it clear that you may have to tell someone else who can help to sort things out.
- Establish only as much information as is needed to be able to tell the Parish Safeguarding Officer or Incumbent what is believed to have happened, when and where.
- Concerns or an allegation must be shared with the Parish Safeguarding Officer as soon as possible, or in her absence, with the Incumbent, a Churchwarden or the Diocesan Safeguarding Officer.
 - If the concern or allegation is about any of these people **do not** share the concern with them.
 - The concerns **must** be recorded, as must decisions of how to proceed, including the rationale for those decisions and consultation with any other persons.
- Do not contact the person about whom a safeguarding concern or allegation has been made or anyone who may be implicated in the allegation or disclosure. Decisions about informing them will be taken after the Parish Safeguarding Officer or Incumbent has sought advice from the Diocesan Safeguarding Officer or statutory agencies.
- If it is agreed that the concerns are felt to be unfounded no further action need be taken. However, the record **must** be kept, and a copy will be forwarded to the Diocesan Safeguarding Officer.
- If the concern is not thought to be related to abuse, but is one where support may be needed from relevant agencies, the Parish Safeguarding Officer should make a referral to Social Services (in the case of a child this will require parental permission). If concerns remain the Parish Safeguarding Officer should contact the Diocesan Safeguarding Officer.
- If there are concerns that a child or adult is suffering or is likely to suffer significant harm or is in immediate danger of harm, then a referral to Social Services or the Police should be made at once by the Church member or the Parish Safeguarding Officer. Clearly state that you are making a "Child Protection Referral" where this is the case. Identify yourself and the Church you are representing. You must also advise the Diocesan Safeguarding Officer.
- The Parish Safeguarding Officer should support any church member raising or reporting a concern or allegation and make sure that the above procedures have been carried out appropriately.
- Unless it is inappropriate in view of the nature of the allegation, the incumbent or Churchwardens should be informed of any referral being made. The Diocesan Safeguarding Officer should also be informed.
- Careful consideration should also be given as to whether the Parish's insurers should be contacted and advised of the incident or allegation.

- If there is good reason to believe that someone attending the church may pose a risk to children, young people or vulnerable adults, either as a result of a criminal conviction or for any other reason, the first concern will be a commitment to the protection of all children, young people and vulnerable adults.
- We will seek to offer pastoral care and support to any member of our Church community known to have offended against a child, young person or vulnerable adult.
 - We will support them in continuing to attend church services whilst supervising their attendance to reduce the risk of further harm. The Rector and Churchwardens (or authorised agent such as the Area Dean) will speak to the Diocesan Safeguarding Officer and then meet with the individual to discuss and agree boundaries that the person will be expected to keep.
 - A written agreement will be appropriate in such cases, and the Parish Safeguarding Officer and Diocesan Safeguarding Officer will be informed and supplied with a copy of the written agreement.
 - Our support may include referral to the appropriate authorities.
- No-one who is found to pose a potential risk to children, young people and vulnerable adults (or any of these) will be given any position or responsibility that may be perceived by others as a position of trust.

Introductory notes

- The requirements for Confidential Declaration Forms, DBS checks and training in this section are laid out for each individual role. Those carrying out multiple roles should check the requirements for all roles undertaken.
- The lists below were correct at the time of passing the Policy. Any corrections will be made at the annual review by the PCC.
- It is the responsibility of Group leaders to inform the Parish Safeguarding Officer if the activity:
 - starts to include children, young people and/or vulnerable adults for the first time
 - ceases to include children, young people and/or vulnerable adults.
- It is recommended to have at least two DBS checked people present at activities with children, young people and/or vulnerable adults, in case someone is ill/on holiday/unexpectedly called away.
- Definitions for this section:
 - 'Leaders' means those responsible for overall leadership of a group.
 - 'Assistant leaders' means those designated to assist with the leadership or organization of a group.
 - 'Volunteer helpers' means those who carry out the activities. It does not mean those who simply attend the activity, but is used in this section where the volunteer has a level of autonomy.
- Assistant leaders and volunteer helpers who have not had a DBS check should be instructed by their leaders not to assist with supervision, feeding, personal care or similar, and should not be alone with a child, young person or vulnerable adult.
- For further information about training pathways see the Section *Training and support for employees and volunteers*. For convenience, in this section the pathway 'Raising Awareness of Domestic Abuse' is listed as 'Awareness Domestic Abuse'.

Confidential Declaration Form for roles meeting the criteria for an enhanced Disclosure & Barring Service check

Confidential Declaration Form and Privacy Notice Guidance

This form must be completed by all applicants for roles engaging in regulated activityⁱ or roles working/having substantial contact with children and/or vulnerable adults. This includes all Clergyⁱⁱ, as well as all Church Officersⁱⁱⁱ who are applying for a role that has been assessed as requiring an Enhanced Disclosure and Barring Service (DBS) (with/without Barred List) check. The nature of these roles means they are exempt from the provisions of Section 4(2) of the Rehabilitation of Offenders Act (1974 (ROA 1974) by virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (as amended in 2013 and 2020) (the ROA Order 1975 (as amended)).

All individuals applying to work/volunteer in such roles will be subject to a satisfactory Enhanced DBS (with/without Barred List) check before the appointment is confirmed as well as a satisfactory Enhanced DBS (with/without Barred List) re-check every 3 years.

You are required to disclose **all** unspent convictions and conditional cautions and **all** spent^{iv} convictions and adult cautions that are not protected^v (i.e. that are not filtered out) as defined by the ROA Order 1975 (as amended)). The ROA Order 1975 (as amended) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers/voluntary organisations and, if they are disclosed, cannot be taken into account.

A criminal record will not necessarily exclude an individual from consideration for appointment. This will depend on the nature of the role applied for and the circumstances and background of the offences. All information declared on this form will be carefully assessed to decide whether it is relevant to the role applied for and will only be used for the purpose of safeguarding children and/or vulnerable adults. If you answer yes to any question, please provide details, on a separate sheet if necessary, giving the number of the question that you are answering.

If it is later discovered that any statement is false or misleading, then depending on the nature of your engagement, it may lead to disciplinary procedures, where appropriate, and/or dismissal from your post/role. If you are unsure of how to respond to any of the questions, please seek appropriate advice e.g. from the appointing organisation/responsible person/recruiter, an organisation such as NACRO or Unlock^{vi}, or a solicitor.

Registered Bodies and those in receipt of DBS Update Service information must fulfil the DBS Code of Practice requirement to have a written policy on the recruitment of ex-offenders in place^{vii}. Copies of these documents are available on request and the DBS Code of Practice is available from the DBS via [DBS code of practice - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/dbs-code-of-practice)

The accompanying Privacy Notice explains how the information you supply on this form is used and your rights with respect to that data as required by the UK General Data Protection Regulation, (the "UK GDPR"), and the Data Protection Act 2018, (the "DPA 2018"). If applicable, please inform relevant members of your household that you have included their details on this form and give them a copy of the Privacy Notice (it will only be applicable if members of your household have been included in the response to a question on the form, e.g. Qs.6 & 7).

This Confidential Declaration Form and Privacy Notice must be used within the Diocese in Europe, the Channel Islands and Sodor & Man, subject to relevant legislative variations/modifications and/or unless there is specific local legislation in a jurisdiction that would prevent its use in its current format.

This shortened version of a Church of England Confidential Declaration Form is used by the Priory Church of St Mary, Bridlington, as part of the Safer Recruitment process for roles which are not eligible for a DBS check at Enhanced level but which include possible contact with children or vulnerable adults, or overseeing such contact, or are roles which a person is disqualified from carrying out under the Safeguarding and Clergy Discipline Measure 2016 if s/he is included in a barred list within the meaning of the Safeguarding Vulnerable Groups Act 2006 or has been convicted of an offence mentioned in Schedule 1 of the Children and Young Persons Act 1933.

Church of England Confidential Declaration Guidance and Privacy Notice

The Confidential Declaration must be completed by all those wishing to work with children and/or adults experiencing, or at risk of abuse or neglect. It applies to all roles, including clergy, employees, ordinands and volunteers who are to be in substantial contact with children and/or adults experiencing or at risk of abuse or neglect.

If you answer yes to any question, please give details, on a separate sheet if necessary, giving the number of the question that you are answering.

The Privacy Notice attached to this form (see page 5 onwards) explains how the information you supply in your Confidential Declaration is used and your rights with respect to that data as required by the General Data Protection Regulation 2016/679 (the "GDPR") and the Data Protection Act 2018, (the "DPA 2018").

If you do not complete this form, or if you do not give true, accurate and complete information in response to the questions it contains, this may amount to misconduct under the Clergy Discipline Measure 2003 and your appointment will not proceed.

*Broadly, where your position / role involves substantial contact with children and / or adults experiencing, or at risk of abuse or neglect (i.e. where you are eligible for an enhanced criminal records check) you will be expected to declare **all** convictions and / or cautions etc., even if they are 'spent' provided they have not been filtered by the DBS filtering rules.*

Convictions, cautions etc. and the equivalent obtained abroad must be declared as well as those received in the UK.

If you are unsure of how to respond to any of the above please seek advice from an appropriate independent representative (e.g. your solicitor) because any failure to disclose relevant convictions, cautions etc. could result in the withdrawal of approval to work with children and / or adults experiencing, or at risk of abuse or neglect. Although it is important to note that the existence of a conviction, caution etc. will not necessarily bar you from working with vulnerable groups unless it will place such groups at risk.

Note: All these matters shall be checked with the relevant authorities

The purpose is balanced against, and does not override, the interests, rights and freedoms of data subjects.	The risk of significant harm to others if inappropriate appointments are made outweighs the low risk to individuals of disclosing the data to us.

Data Protection

If the child/young person is aged 13 or above when this form is completed, s/he must understand and sign this page

The **Parochial Church Council** (which is usually called the **PCC**) and the **Rector** are responsible for everything which happens at the Priory.

This page is the PCC's **Privacy Notice**. A Privacy Notice tells you how the Priory looks after your **personal data**. Personal data is information that can identify you, such as the information on this form. There are some types of data we have to be extra careful with. These are known as **special category data** and are things like an illness you have or what religion you are.

Why do you need my personal data and can you use it for anything?

The main reason we need to use your personal data is to know who you are, so that we can contact you, your parents or other people responsible for you. We also need to have information to help us to arrange the things you belong to at the Priory and so that we can keep you safe. If we want to use your personal data for anything apart from this we have to ask you if we can use it, and if you say no then we can't. We can't do what we want with it.

Who keeps my personal data and can anyone else see it?

Your personal data is usually kept by the Leader of your group or activity (for example, in the Choir this is the Director of Music). Sometimes we have to share your personal data in order to run the Priory properly. There are rules about this and we're very careful about how we do it. We might need to share your data with the people who run the things you belong to at the Priory, with the Priory's Safeguarding Officer, or with the police, medical staff or fire service if there were an emergency.

Do you keep my personal data for ever?

We only keep your personal data for as long as we need it. Sometimes this might be for years, because we have to follow rules about how long we should keep it. But we also have rules about keeping your personal data safe and about destroying it properly. These rules are in a Priory document written for Adults called **Management of parish records**.

Do I have a say in what happens to my personal data?

Yes you have what we call **rights** when we use your data. One of these is the right to know what we do with it – that's what this page is for. The rights you have depend on what we use your data for.

You can ask us to tell you what personal data we have about you, or if we will stop using it or delete it. If your personal data is wrong, you can tell us and we will fix it.

Is there more information about this?

The PCC has a document written for Adults called **The Priory Church of St Mary, Bridlington: Data Protection Policy and Privacy Notice**. This is usually available in the Priory Church and is also at <http://bridlingtonpriory.co.uk>.

Who makes sure you follow all the rules?

The PCC has a Data Protection Officer, whose role is to make sure that the PCC and the people who run things at the Priory protect your data. This person makes sure that the PCC knows the rules about keeping your data.

Because it is important that we look after your data properly, you can email or write a letter to the PCC if you are worried about what we do:

Social Media Guidelines

Introduction

Social media platforms increasingly dominate how people communicate, find information, and access news and entertainment. If your church does not have a presence online, people cannot interact with it online. Having no website or no Facebook page is like having no church building in a town: people cannot come to us if we're not there.

Most churches now have a website, or up-to-date details on A Church Near You (www.achurchnearyou.com). However, there's still a lot of uncertainty around social media – should churches use social media? How should they do it? What spaces should they use?

These guidelines are not designed to be comprehensive instructions on how to use social media, but as points to consider when communicating in these spaces.

The opportunities of social media

- Interaction on social media gives us new opportunities to share the Good News of Jesus Christ. This is a form of communication and interaction which is growing and growing, and in many cases, replacing more traditional forms of media.
- Facebook is an ideal place for churches to start in social media. Churches should create a page (there's information on how to do that here: www.facebook.com/help/104002523024878). You need to create a personal account first, but the people who view the church's page will not know who the creator or editor of that page is. You can be anonymous. When creating your page, you should choose the category "company, business or institution" and then "church/religious organisation".
- Twitter is another good place for churches to be online, but be aware that more people in your community are more likely to be on Facebook than Twitter. Twitter is a good place to make contact with businesses or organisations that might be based in your parish.
- Once you've created your Facebook page or Twitter feed, make contacts with people online. Is there a social butterfly in your church who is on Facebook or Twitter, who could encourage their friends to like your Facebook page or follow your Twitter account? Are there organisations like the Scouts or local

businesses that could encourage their followers to like your Facebook page or follow your Twitter account?

- You'll also need to go offline – ask people in your church and at community events like Summer Fetes or Harvest festivals to like your Facebook page or follow your Twitter account. Put their details on your posters and leaflets. Encourage people who come for weddings or Christenings to post their pictures of the service and party on your Facebook page or Twitter account, If they have the consent of the people appearing in the photographs.
- Once these people are like your Facebook page or follow your Twitter account, they will receive all the messages you post there. It's a great space to invite people to events, share some of the life of the church, and encourage people to pray about local or national occurrences.
- People are more likely to look at and respond to pictures and short video clips. The more pictures and video you can include on your Facebook page or Twitter account, the more likely people will be to share them with their friends or followers.
- Social media is social. The people you encounter are made in the image of Christ. The technology you use to do so is secondary – you are meeting with people just as you would in a church or café. Technology is morally neutral – it is equally capable of showing the Divine or being abused by humans.
- A lot of people are frightened that social media spaces are a bit like the wild west – verbally violent places where people post without thinking. And yet, we still take churches into prisons and dockyards. Social media can be a fast paced place, but most churches do not encounter unpleasant comments or abuse online. If you do, remember you can always delete unpleasant comments from your website or Facebook page, and block anyone being abusive.
- When using social media, make sure that you aren't so busy making noise that you don't make time to reflect. It's a great place to learn and discover.

Being a high profile individual on social media

If you are a clergyperson, a Reader, or a lay person with a prominent role in a church, your interactions will reflect on the church and our faith. We hope these following guidelines will be of use to enable you to use social media to its fullest capacity, and to avoid incidents that might lead to any repercussions.

- As church representatives in social media spaces, you are unusual and interesting. There may be an element of vocational calling in your presence there. You can represent your parish, your denomination, your faith – it's a great responsibility and a great opportunity.

Appendix 3: Relevant Diocesan documents and policies – Social Media Guidelines

- If you use social media wisely, you can shine a light on the church - often through how you act. If you need to apologise – do! Show that church people sometimes make mistakes and aren't above apologising.
- Church representatives can be visible in social media spaces. Don't be scared of trolls or people wanting to abuse the church – the biggest risk to your reputation (and the reputation of the church) is yourself.
- Take responsibility for what you write, and assume everything is public. On the internet, everything is visible, and everything is stored. Nothing you say will be forgotten or hidden. Post as though your grandmother or your bishop is reading over your shoulder.
- In social media spaces, the distinction between the public and private arena is blurred. Some clergy chose to have two social media presences – one for their close friends and family, and one for people they know in a professional sphere. This means you have a 'safer' space to let off steam or be silly. Others have one social media presence but curate it more carefully.
- Be prudent – don't post or share text or pictures that might compromise you, your church or your faith. Remember to love your neighbour as yourself – don't post anything which is or could be seen as sexist, racist, or homophobic.
- Don't gossip, and respect confidentiality. If you're telling a story about someone, ask yourself – is this my story to tell? Don't talk about people without their permission - this includes your family.
- If someone uses a social media space to access pastoral care, or disclose information inappropriately, you may need to take the conversation offline or into a more private location.
- If you are a clergy person, remember you hold public office, and remember your bishop could be reading what you post. What you share online could provoke a disciplinary hearing. If you're applying for a post, most parishes will check to see what sort of a presence you have on social media.
- Remember, social media is subject to laws of safeguarding, libel, slander, copyright and data protection. There is no legal protection offered by posting anonymously or under an alias.
- Most advice on staying safe in social media spaces is the same as using the internet more generally. Use secure passwords, and check what security or privacy settings you have on various social media sites. Don't click on links you are unsure about.
- If anyone makes a threat, defames you or impersonates you online, firstly, take a screenshot of what has been posted – the person may later take a message down if they are challenged about it. There are simple instructions on how to

do this on WikiHow (www.wikihow.com/Take-a-Screenshot-in-Microsoft-Windows). Save the screenshot and contact the Diocesan Communications Team (www.dioceseofyork.org.uk/communications).

Children, young people, and vulnerable adults

- It's important to put more thought into your boundaries when communicating with children, young people and vulnerable adults. The law and diocesan policies around safeguarding apply in your communications with children, young people and vulnerable adults.
- Get parents' or guardians' permission before you contact young people via social media or email, and consent for use of photographs.
- You should not add children or young people on your personal social networking page who are part of the children's and youth ministry/project at your church or group and who are under the age of 18. You can set up a Facebook group for your project or group and invite them to be members (if they are over the required minimum age limit).
- Keep all your communications public and only send messages to whole groups, rather than to individuals. Behave as you would in a public setting - always maintain a second leader 'in the room', and make sure your line manager is able to see what is posted or emailed.
- Only contact young people during office hours, not in the evening or at night.
- Leaders and young people could develop agreed 'Internet Guidelines'. A youth group is a good context for healthy use of the internet to be encouraged.
- It's potentially easier to form inappropriate relationships using social media. Online banter and private messaging can lead to a level of intimacy that you'd ordinarily guard against. Be alert to the potential for misinterpretation. Keep your boundaries in place.
- If a young person uses social media to disclose sensitive or difficult information to you, save these messages in case they are needed later, for example in sharing with the police or social workers. If someone uses a social media space to access pastoral care, or disclose information inappropriately, you may need to take the conversation offline or into a more private location.
- Avoid interacting more with one young person than another, eg, if you wish happy birthday to one person, you need to do it for all users.

- Humour - without the cues of non-verbal communication, humour can be easily misconstrued. Be alert to adolescent sensitivities.
- Be a good example. Remind young people that there's no such thing as 'private' online. Tell them what kind of photos and information are okay to post and to never share personal information like name, school, age or address.
- There is a risk that young people can be drawn into violent extremism via social media. For help on this, see The Channel, which draws on existing collaboration between local authorities, the police, statutory partners (such as the education sector, social services, children's and youth services and offender management services) and the local community and has three objectives: to identify individuals at risk of being drawn into violent extremism; to assess the nature and extent of that risk; to develop the most appropriate support for the individuals concerned. There is a short, online training course on the CHANNEL process, available at www.elearning.prevent.homeoffice.gov.uk/channel_awareness/01-welcome.html.
- NB. If you are a registered childcare provider (e.g. playschool, nursery etc. registered with OfSTED), then you may have specific duties under the Counter Terrorism and Security Act 2015. Please see the Prevent Duty and Guidance for schools and childcare providers 2015 at: www.gov.uk/government/uploads/system/uploads/attachment_data/file/439598/prevent-duty-departmental-advice-v6.pdf

Updated August 2019

Guidelines for Video Conferencing with children

In these extraordinary times, you may want to consider virtual meetups with your children's group. It is never normally best practice to communicate with children under the age of 13 online, so here is some advice on how to do this safely. Please, above all else adhere to your safeguarding policy

- Avoid the use of Skype / Facetime / What's app – these are social media tools and as such share contact details with all users, you may inadvertently connect children up with other people as an unintended consequence.
- Instead use a video conferencing platform such as Zoom: <https://zoom.us/> This is free to use (will give you a 40 min chat) or a paid for account allows you to host longer sessions. Users only need to have an email address for account setup.
- Use of this is beyond the normal running of your group and therefore needs explicit permission before use in the following ways:
 - You must have PCC approval – speak to your vicar, churchwarden, standing committee or PCC group to discuss and minute that this is happening – why not trial a video conference with some of these people first?! This does not need to be a complicated process.
 - You need parental consent – set up an email which explains what you are doing, the date and time of the video conference session, which children's leaders (at least 2 DBS leaders) are participating and make sure you make clear to the parent/ carer that they have to be present at all times during the session with the children, they need to make themselves seen at the beginning of the session then can go into the background, but you need to know they are there and they need to what responsibility they have as the Grown up. Ask for a reply as a form of consent and keep these emails in a separate folder. You may also want to do a test video call with just parents before you start. Share the *Code of Conduct* below with them
 - Do not make meetings public. In Zoom, there are two options to make a meeting private: require a meeting password or use the waiting room feature and control the admittance of guests. This has been switched on now and should come into effect immediately.
 - Manage screensharing options. In Zoom, change screensharing to "Host Only." So that you are in control of the screens, you can also oversee the video meeting, you can mute everyone also.

- **Code of Conduct for leaders involved**
 - 'Normal' Children's group rules would apply including with regards to recruitment and safeguarding process
 - You need at least 2 DBS and safely recruited children leaders present who would normally have 'real time' contact with this group. Make sure both leaders are live before children arrive. Ideally use the same time slot as your normal group meeting.
 - All participants should be in their daytime clothes in a family room. No bedrooms and PJs! If a child is in PJ's or not in a family room the leader as the host can 'exclude' that child/ren until they change and move rooms, then they can re-enter the group.
 - Meeting invites are only sent to private groups of named individuals.
 - No new children can join the group while you are not meeting in the normal way
 - As well as the video interface, consider using the chat and whiteboard function so that children with different abilities can join in with the support of their parents. Encourage the use of the mute button and hand raising for permission to speak
 - Be aware of and sensitive to technical difficulties! There can be issues with speakers and microphones! So possibly have a practise with parents in an evening before your meeting.
 - DO NOT RECORD. Most video conferencing software allows for the session to be recorded – this is an option for the host of the meeting only. Avoid doing this, as you would need separate permission for data capture and there are all sorts of issues around storage, GDPR etc.
- **Code of Conduct for Children and parents involved**
 - *An adult must be present in the room with the child/ren at all times, sitting with them to help them with the technology, you need to be seen at the beginning of the session so leaders are aware they are there and then can be out of view if you would like.*
 - *The child/ren must always be in a daytime family room when participating in the session, not in a bedroom or visiting other rooms in the house with a mobile device.*
 - *The child/ren must always be in daytime clothes (no pyjamas)*
 - *You can turn off video if you want and just access the session via audio. We will not be recording the session.*
 - *Please try to keep your microphone muted as much as possible during the session. We know that the child/ren will be excited and that many (but not all) will want a chance to speak, so we will be practising good turn taking*

Guidelines for using video conferencing for youth groups*

Guidelines for using video conferencing for youth groups

Most youth organisations have avoided the use of video conferencing –but in these exceptional circumstances, it is a helpful way of keeping in touch with and supporting young people through these difficult times. These are guidelines and do not replace the church's/group's safeguarding policies and procedures which must be adhered to

- Always have at least two DBS checked adults present in any video chat.
- If a young person wants to communicate privately, then tell them that to protect both of you, there will be another person online with you, but that they will not be joining in the conversation, unless the young person wants them to. If you believe that the young person is at risk and they refuse to have another adult present, then tell them that you are going to record the conversation. Never promise confidentiality, but say that you may have to share the content of the conversation with somebody who can help.
- Only use platforms that are appropriate, and stick rigidly to their age restrictions – most require participants to be 13+.
- Keep records of contact. Logging when chats happen, who was part of them, and the content covered. If you have a text conversation¹ or 'chat' with a young person, screen shot the contents (some platforms allow you to save directly). If you are concerned about a young person's well-being then share this with your safeguarding officer or line manager.
- Don't make assumptions about access. Be sensitive to the fact that some households have strict rules about screen time whilst others may be using pay as you go devices with limited streaming capacity.
- Remember that many young people will have a completely different framework of what is appropriate online from their parents and your agency². Set clear boundaries before and during engagement.
- Be absolutely transparent about the changes in the ways that you are engaging with young people putting information on your website, and contact details etc. Contact parents/carers and ask for permission to communicate with their young people in this way (see template form on Diocesan webpages).
- Use church or agency accounts – even if you have to set up new ones. Do not use personal accounts.
- Use group conversations wherever possible. Remember that some platforms only show someone's image if they have been detected as talking. This means that someone can easily get overlooked and become an observer rather than a participant. Come up with a visual system whereby you can curtail the input of the big talkers and sensitively ensure that the shyer members of the group feel included.
- Ensure that there is no recording of online group chats by participants.
- Make sure that language and images used can not be misinterpreted. For instance LOL - you might mean Laugh Out Loud, but a needy young person might read it as Lots Of Love. Do not put kisses at the end of messages, even if you normally do this with friends and colleagues!
- Try to ensure that at least one member of your team is trained in digital awareness <https://www.thinkuknow.co.uk/professionals/training/kcso/> £35 per worker.
- Make sure that children and young people have links to CEOP (Child Exploitation Online Protection Centre or Childline, NSPCC and know what to do if they are concerned about a worker's online behaviour towards them.
- Take a look at the [Diocese's Social Media Guidelines](#)

¹ A conversation is more than 'this is the time there is an online chat tonight' 'Ok, thanks. See you then' 'Yeah, see you then. Stay safe in the mean time'
